

About IETE Student Chapter

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognised professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. Founded in 1953. The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals. It serves more than 1,25,000 members (including Corporate, Student and ISF members) through various 64 Centres, spread all over India and abroad. The Institution provides leadership in Scientific and Technical areas of direct importance to the national development and economy. Government of India has recognised IETE as a Scientific and Industrial Research Organization (SIRO) and also notified as an educational Institution of national eminence. The objectives of IETE focus on advancing electro-technology. The IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals and provides continuing education as well as career advancement opportunities to its members.

The IETE focuses on advancement of the Science and Technology of Electronics, Telecommunication, Computers, Information Technology and related areas. Towards this end the Institution promotes and conducts basic engineering and continuing technical education programmes for human resource development.

The IETE conducts both the Graduateship (AMIETE) Examination in Electronics and Telecommunication Engineering, Computer Science & Engineering and Information Technology streams and Diploma (DIPITE) Examination in Electronics & Telecommunication and Computer Science & Engineering streams. A pass in AMIETE Examination is recognised by Government of India for the purposes of recruitment to superior posts and services under the Central Government while a pass in Diploma Level (DIPITE) Examination is recognised by the Ministry of HRD, Govt. of India for the purpose of employment to posts & services under the Central Government in the appropriate field.

The IETE also conducts postgraduate level course ALCCS (Advanced Level Course in Computer Science) which is also recognised by the Ministry of HRD, Government of India, as equivalent to M. Tech in Computer Science for the appointment to superior posts & services under the Central Government.

The *IETE Students Chapter of RMKCET* aims to increase collaboration and networking among graduate students within the various disciplines of Electrical and Electronics Engineering, Computer Science Engineering, and the greater academic and professional community

Academic Year 2017-18

- ❖ IETE Students' Chapter was inaugurated by the Chief Guest

Academic Year 2016-17

- ❖ One Day Workshop on “Technical Skills Enhancement for Laboratory Technicians” on **24.06.2017**
